

Comments from the public:

- ❖ Tremendous display, great for building interest for the kids.
- ❖ We need more exhibits like this to help educate the community about our natural laws.
- ❖ This was real cool – and fun to work at!
- ❖ Great & very interesting! Thank you!
- ❖ Thank you for doing this. It was very informative!
- ❖ Good job. You'll get more physics undergraduates next year (from a physics drop-out, current biochemistry major).
- ❖ Excellent! Our children learned a great deal. Thanks!!
- ❖ I think this was a great experience for my 4 children and me. Makes you look at science and technology differently. Thanks!
- ❖ We thought this exhibit was great. Our 6 year-old daughter truly enjoyed the hands-on experiments!! Thanks and hope you can have this again.
- ❖ Excellent information. I would love to do something like this in my community. We live in Oneida County. Contact us!
- ❖ Great demonstrations and explanations! Thank you!
- ❖ I love to see people having the chance to see science as fun! Thank you.
- ❖ What a find! Came to entertain kids and found a learning experience. Kudos. Thanks.
- ❖ Great event. Even better than the previous one. I enjoyed all of the demonstrations, and all of the knowledgeable teachers.
